10.4 DECONCENTRATION POLICY

It is the Carbondale Housing Authority's policy to provide for deconcentration of poverty and encourage income mixing by bringing higher income families into lower income developments and lower income families into higher income developments. Toward this end, we may skip families on the waiting list to reach other families with a lower or higher income. We will accomplish this in a uniform and non-discriminating manner.

The Carbondale Housing Authority will affirmatively market our housing to all eligible income groups. Lower income residents will not be steered toward lower income developments and higher income people will not be steered toward higher income developments.

Prior to the beginning of each fiscal year, we will analyze the income levels of families residing in each of our developments and the income levels of the families on the waiting list. Based on this analysis, we will determine the level of marketing strategies and deconcentration incentives to implement.

10.5 OFFER OF A UNIT

When the Carbondale Housing Authority discovers that a unit will become available, we will contact the first family on the waiting list who has the highest priority for this type of unit or development and whose income category would help to meet the deconcentration goal and/or the income targeting goal.

The Carbondale Housing Authority will contact the family first by telephone to make the unit offer. If the family cannot be reached by telephone, the family will be notified of a unit offer via first class mail. The family will be given five (5) business days from the date the letter was mailed to contact the Carbondale Housing Authority regarding the offer.

The family will be offered the opportunity to view the unit. After the opportunity to view the unit, the family will have two (2) business days to accept or reject the unit. This verbal offer and the family's decision must be documented in the tenant file. If the family rejects the offer of the unit, the Carbondale Housing Authority will send the family a letter documenting the offer and the rejection.

Definition

Substantial deviations or significant amendments or modifications are defined as discretionary changes in the plans or policies of the housing authority that fundamentally change the mission, goals, objectives, or plans of the agency and which requires formal approval of the Board of Commissioners.

PHAS Resident Survey Follow-up Action Plan

The only section of the Resident Survey where the Carbondale Housing Authority scored below 75% was in Safety. The fact is that the crime rate in Carbondale public housing is no worse than the community at large. Our problem, as expressed in the survey, is one of perception, not reality. Therefore, here are the activities we intend to do to bolster our resident's perception in this area:

Action to be Taken	Completion	Funding Source
Install a new security system in all three elderly developments	7/1/00	CGP
Meet with our resident council on a regular basis to discuss their security needs and issues	Ongoing	Not Required
Install new interior lighting in all three elderly developments	12/31/02	Capital Fund

Continue to enforce our "One-Strike" policy	Ongoing	Not Required

Statement of Progress in Meeting the 5-Year Plan Mission and Goals

The following table reflects the progress we have made in achieving our goals and objectives:

Goal One: Manage the Carbondale Housing Authority's existing public housing program in an efficient and effective manner thereby qualifying as at least a standard performer.	
Objective	Progress
The Carbondale Housing Authority shall make our public housing units more marketable to the community as evidenced by an increase in our waiting list to one that requires a six-month wait for housing by December 31, 2004.	While the CHA units are more marketable, we are still striving to obtain the waiting list that will meet our needs.
By December 31, 2001, the Carbondale Housing Authority shall have a waiting list of sufficient size so we can fill our public housing units within 15 days of them becoming vacant.	Although we have been engaging in an aggressive advertising campaign, we have not yet achieved our goal.
The Carbondale Housing Authority shall achieve and sustain an occupancy rate of 97% by December 31, 2004.	We have increased the occupancy rate to 95%

Goal Two: Enhance the marketability of the Carbondale Housing Authority's public housing units.	
Objective	Progress
The Carbondale Housing Authority shall achieve proper curb appeal for its public housing developments by improving its landscaping, keeping its grass cut, making the properties litter-free and other actions by December 31, 2001.	The maintenance of properties has improved and we will continue to work to reach this objective.

Goal Two: Deliver timely and high quality maintenance service to the residents of the Carbondale Housing Authority.	
Objective	Progress
The Carbondale Housing Authority shall maintain an average response time of 24 hours in responding to emergency work orders by December 31, 2002.	We continue to meet this objective.
The Carbondale Housing Authority shall maintain an average response time of two days in responding to routine work orders.	We continue to meet this objective.
